

IMPACS PROGRAM

"I haven't ever gotten help like this before. Usually, I'm the one helping others, not receiving help. I also know that you really believe in me—and that's a rare thing to find."

– Jefferson County Participant

Falling Behind on Child Support? IMPACS Can Help With:

Personal Support

- Talk with you about getting your life back on track.
- Offer encouragement so you don't feel alone.

Jobs & Training

- Help you find a job or connect you with job training programs.
- Cover costs for training, work equipment, or license fees.

Specialized Case Management

- Work with your child support caseworker to prevent automated enforcement actions, like driver's license suspension.

Community Connections

- Connect you with other helpful programs and resources.

Essentials Assistance

- In some cases, help with food, rent, or car repairs.

Resume & Interview Support

- Create a resume with you and practice interview skills.

How do I get involved in IMPACS?

Contact your child support case worker to see how we can help you!
